About this booklet

This booklet is a registration guide for semester I 2026-2027.

It highlights important registration dates; outlines the semester I courses by programme and advises students on how to address their registration concerns.

Students are reminded that they are required to register for all their semester courses on <http://cfbcsonis.jenzabarcloud.com> on or before the semester registration deadline.

All questions regarding registration should be directed to the Office of the Registrar, Admissions and Registration at 869-465-2856 or registration@cfbc.edu.kn.

You may also visit our office located in the Administrative Office of the Main Campus, Burdon Street, Basseterre.

Although every effort was made to ensure the accuracy of the information contained in this booklet, the Clarence Fitzroy Bryant College accepts no liability for errors or omissions.

Each student is advised to remain current with all registration notices and updates via his/her CFBC email.

Dates to Remember

Early Registration Period

August 10 -August 23, 2026

Late Registration Period

August 24- September 4, 2026

(A fee of \$50.00 EC is payable at this time)

ADD/DROP/ WITHDRAW DEADLINE

September 4, 2026

The Registration Process

1

Register for your semester courses on CFBC Sonis at

<http://cfbcsonis.jenzabarcloud.com>

2

**Pay your semester fees.
Contact the Finance Department at**
accounts@cfbc.edu.kn

Payment Options

Option 1

Online via our payment portal at
<https://cfbc.edu.kn/online-payments/>

Option 2

At any branch of the St. Kitts - Nevis- Anguilla National Bank
Account No. 26186

Students who choose option 1 or 2 are required to send a copy of their online receipt or the stamped deposit slip to accounts@cfbc.edu.kn.

Please indicate your Name, Student ID # and programme in your email.

Option 3

At the campus Cashier.

It is advised that each ASGS student attends an advisement session before registering for his/her courses on Sonis.

If you did not attend the advisement session for your chosen programme, please make an appointment to see your Dean at asgs@cfbc.edu.kn before registering for your courses.

Students in the Division of Arts, Science and General Studies are reminded that they have the option of working toward a CAPE Diploma or the CAPE Associate Degree. Please see the following page for more information.

Each CAPE Unit has its own prerequisite and consists of three modules. Please ensure that you register for all the modules that are being offered in a given semester.

The unit combinations outlined in this booklet are recommended based on your core interest as it relates to the completion of the CAPE Diploma or Cape Associate Degree.

Kindly ensure that there are no clashes in the combinations you choose. If you are uncertain about the unit combinations or you have a clash, please send an email explaining the challenge to registration@cfbc.edu.kn.

The CAPE Associate Degree

The CAPE Associate Degree is awarded for the completion of ten (10) CAPE Units including Caribbean Studies, Communication Studies and Integrated Mathematics or one Unit of any Mathematics course, 4 core courses based on your specialization, 2 approved adjunct/supporting courses and 1 other elective course of your choice as outlined in the table below.

Minimum Duration of Programme (2 Years)

Maximum Duration of Programme (5 Years)

Overview – retrieved from the 2018 CXC Associate Degree Handbook

General Education Courses (Compulsory)	Areas of Specialization	Adjunct/Supporting Courses	Elective
Caribbean Studies – one Unit CAPE® course Communication Studies – one Unit CAPE® course Integrated Mathematics OR one Unit of any Mathematics course. The following is strongly advised: • Arts & Humanities students - Integrated Mathematics • Sciences students - Pure Mathematics 1 and 2 • Business students - Applied Mathematics Unit 1	<u>Associate of Arts</u> Accounting Economics Entrepreneurship Law Modern Languages History Sociology Tourism Studies Visual Communication <u>Associate of Science</u> Environmental Studies Information Communication Technology Mathematics Natural Sciences	At least 2 single Units should be chosen from each of the following categories: <u>Category 1</u> 1. <i>Humanities and Fine Arts.</i> <u>Category 2</u> 2. <i>Natural, Physical Sciences and Technology</i> OR 3. <i>Social and Behavioural Sciences</i> (See CAPE® Listing below)	A single Unit should be chosen from any CAPE® options not included in the General Education, Adjunct/Supporting or Core Course Requirements.
N.B. Students who intend to major in Economics at the undergraduate level are advised to consider sitting a Unit of Pure Mathematics as well.	N.B Students need at least four CAPE® Units relevant to their area of specialization. Please refer to pages 12 – below.		
Note: Candidates pursuing the CXC® Associate Degree in Mathematics or pursuing Pure and Applied Mathematics Unit 1 OR Unit 2 are not required to do Integrated Mathematics.			

The CAPE Diploma

The CAPE Diploma is awarded to candidates who have completed at least six (6) Units, including Caribbean Studies, Communication Studies, and any Two - Unit CAPE Courses. For example: Economics Unit 1 and 2, and Pure Mathematic Unit 1 and 2.

NB* There is a CXC CSEC subject or equivalent that is required to register for each cape unit.

Cape Courses	Prerequisites
Accounting	Principles of Accounts
Animation and Gaming	No Prerequisite Needed
Applied Mathematics	Mathematics
Art and Design	English A, History and Visual Arts. ONE of the following options may be considered instead of Visual Arts: Clothing and Textiles/Technical Drawing/Information Technology
Biology	Biology and Chemistry
Chemistry	Chemistry and Mathematics
Computer Science	Mathematics
Digital Media	No Prerequisite Needed
Economics	Mathematics
Environmental Science	Geography, Agricultural Science, Integrated Science, Chemistry, Physics or Biology (any TWO of the following subjects listed)
Entrepreneurship	English A
French	French and English B
Geography	Geography
History	History
Information Technology	Mathematics/Information Technology
Law	History or English B
Literature in English	English A and English B
Management of Business	Principles of Accounts
Performing Arts	Theatre Arts
Physics	Physics and Mathematics
Pure Mathematics	Mathematics
Sociology	History or Social Studies
Spanish	Spanish and English B
Tourism	English A

Year One Semester Courses

Associate of Arts in Accounts

Below are the CAPE unit modules that are being offered for students who are pursuing Accounts.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I	Semester I
ACCT1011	Module 1: Accounting Theory, Recording and Control Systems
MGMT1121	Module 1: Business and Its Environment
MGMT1122	Module 2: The Management of People
COMM1003	Module 3: Speaking and Writing
AMAT1171	Module 1: Collecting and Describing Data

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in Economics

Below are the CAPE unit modules that are being offered for students who are pursuing Economics.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

ECON1061	Module 1: Methodology: Demand and Supply
MGMT1121	Module 1: Business and Its Environment
MGMT1122	Module 2: The Management of People
COMM1003	Module 3: Speaking and Writing
AMAT1171	Module 1: Collecting and Describing Data

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in Entrepreneurship

Below are the CAPE unit modules that are being offered for students who are pursuing Entrepreneurship.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

CENT1221	Module 1 The Entrepreneurial Mindset
MGMT1121	Module 1: Business and Its Environment
MGMT1122	Module 2: The Management of People
COMM1003	Module 3: Speaking and Writing
AMAT1171	Module 1: Collecting and Describing Data

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in History

Below are the CAPE unit modules that are being offered for students who are pursuing History.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

COMM1003 Module 3: Speaking and Writing
 HIST2091 Module 1: Atlantic World Interactions
 AMAT1171 Module 1: Collecting and Describing Data

CHOOSE ONE OF THE FOLLOWING UNITS

CLAW1101 Module 1: Caribbean Legal Systems
 CLIE1113 Module 3: Caribbean and British, American or
 Postcolonial Prose Fiction

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in Law

Below are the CAPE unit modules that are being offered for students who are pursuing Law.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

CLAW1101 Module 1: Caribbean Legal Systems
 CLIE1113 Module 3: Caribbean and British, American or
 Postcolonial Prose Fiction
 COMM1003 Module 3: Speaking and Writing
 AMAT1171 Module 1: Collecting and Describing Data

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in Modern Languages

12

Below are the CAPE unit modules that are being offered for students who are pursuing Modern Languages.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

FREN1071 Module 1: Individua, la famille et la vie journalière
SPAN1161 Module 1: El individuo, la familia y la vida diaria
COMM1003 Module 3: Speaking and Writing
AMAT1171 Module 1: Collecting and Describing Data

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in Performing Arts

Below are the CAPE unit modules that are being offered for students who are pursuing Performing Arts.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

COMM1003 Module 3: Speaking and Writing
AMAT1171 Module 1: Collecting and Describing Data
PART1231 Module 1: Business Feasibility

CHOOSE ONE OF THE FOLLOWING UNITS

CLIE1113 Module 3: Caribbean and British, American or
Postcolonial Prose Fiction
HIST2091 Module 1: Atlantic World: Interactions

Associate of Arts in Sociology

13

Below are the CAPE unit modules that are being offered for students who are pursuing Sociology.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

COMM1003 Module 3: Speaking and Writing
SOCI1151 Module 1: Sociology, Culture and Identity
HIST2091 Module 1: Atlantic World Interactions
AMAT1171 Module 1: Collecting and Describing Data

Consult your Dean and/or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in Visual Communication

Below are the CAPE unit modules that are being offered for students who are pursuing Visual Communication.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

CDIG1211	Module 1: Understanding Digital Media
CART1022	Module 2: Two-dimensional Art and Design
COMM1003	Module 3: Speaking and Writing
AMAT1171	Module 1: Collecting and Describing Data

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Arts in Tourism

Below are the CAPE unit modules that are being offered for students who are pursuing Tourism.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

COMM1003	Module 3: Speaking and Writing
AMAT1171	Module 1: Collecting and Describing Data
CTOU2401	Module 1: Product Development
MGMT1121	Module 1: Business and Its Environment
MGMT1122	Module 2: The Management of People
CENT1221	Module 1 The Entrepreneurial Mindset

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Science in Natural Sciences

16

Below are the CAPE unit modules that are being offered for students who are pursuing Information and Communication Technology.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

COMM1003 Module 3: Speaking and Writing
PMAT1131 Module 1: Basic Algebra and Functions

CHOOSE ANY TWO OF THE FOLLOWING SCIENCES

CBIO1031 Module 1: Cell and Molecular Biology
PHYS1114 Module 1: Mechanics
CHEM1041 Module 1: Fundamentals in Chemistry

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Science in Environmental Studies

17

Below are the CAPE unit modules that are being offered for students who are pursuing Environmental Studies.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

EVSC1191 Module 1: Fundamentals of Ecological Principles
CGEO1081 Module 1: Population and Settlement
COMM1003 Module 3: Speaking and Writing
PMAT1131 Module 1: Basic Algebra and Functions

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Science in Information and Communication Technology

Below are the CAPE unit modules that are being offered for students who are pursuing Information and Communication Technology.

Please refer to the CAPE Associate Degree Handbook for more information.

Year I Semester I

IFTH1201 Module 1: Fundamentals of Information Technology
 COMP1051 Module 1: Computer Architecture and Organization
 COMM1003 Module 3: Speaking and Writing
 PMAT1131 Module 1: Basic Algebra and Functions

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

Associate of Science in Mathematics

Below are the CAPE unit modules that are being offered for students who are pursuing Mathematics.

Year I Semester I

COMM1003 Module 3: Speaking and Writing
 PMAT1131 Module 1: Basic Algebra and Functions
 AMAT1171 Module 1: Collecting and Describing Data

Choose one CAPE Unit from Humanities and Fine Arts
Choose one CAPE Unit from Social and Behavioural Sciences
Choose one CAPE Unit from Natural, Physical Sciences and Technology

Consult your Dean and/ or academic advisor regarding your preferred adjunct/ supporting course.

MESSAGES/ INSTANCES YOU
CAN ENCOUNTER WHILE
REGISTERING

Below is a list of messages that you can encounter while registering for your courses on Sonis and the relevant action that you should take.

Please note that all form can be collected at the reception desk of the Administrative Office at the Main campus or online via the College's website cfbc.edu.kn.

MESSAGE:	Exceeded Maximum Credit	23
EXPLANATION:	If you encounter this message, you are trying to register for more than 18 credits.	
ACTION TO TAKE:	Students who find it necessary to register for more than 18 credits are required to complete a credit overload form. See form for further instructions.	
MESSAGE:	Course restricted to students of other levels	
EXPLANATION:	If you encounter this message, you are seeking to access a course that is either above or below your year of study.	
ACTION TO TAKE:	Select another course section. If you cannot be accommodated in any course section, you will have to register for the course at its next offering.	
MESSAGE:	This student has already enrolled (or enrolment is pending) in this section.	
EXPLANATION:	If you encounter this message, two or more of your registered courses are clashing. You have time conflict.	
ACTION TO TAKE:	If you encounter this message, select a course section with a different time. If you cannot be accommodated in any course section you will have to register for the course at its next offering.	

MESSAGE: **Permission needed to register a third time** **24**

EXPLANATION: If you encounter this message you are seeking to register for a course for the third time. Please be advised that students are only permitted to register for a course three times. Failure on the third attempt may result in academic dismissal.

ACTION TO TAKE: Complete a course enrolment request form. See form for further instructions.

MESSAGE: **Course restricted to students of other levels**

EXPLANATION: If you encounter this message, you are seeking to access a course that is either above or below your year of study.

ACTION TO TAKE: Select another course section. If you cannot be accommodated in any course section, you will have to register for the course at its next offering.

MESSAGE: **Course restricted to students of other programmes** **25**

EXPLANATION: If you encounter this message, you are seeking to access a course that is not being offered to your programme this semester.

ACTION TO TAKE: Select another course section. If you cannot be accommodated in any course section you will have to register for the course at its next offering.

ENCOUNTER: Unable to select a course and it is appearing red.

EXPLANATION: The course has reached its seating capacity and cannot accommodate any other student.

ACTIONS TO TAKE:

1. Choose another section for the course.
2. If you are unable to register in another section or there are no other sections for the course, under the WAIT column click the number in line with the course to add yourself to the waitlist.

Your Dean will approve or deny your request to join the class.

If after taking the above actions you were unsuccessful in registering for your course(s) please contact the Office of the Registrar – Admissions & Registration at 869-465-2856 or registration@cfbc.edu.kn.

You may also visit our office during the hours of 9:00 AM - 3:00 PM, Monday - Friday.
